Texas law grants the board of trustees the power to govern and oversee the management of the district's schools. The board is the policy-making body within the district and has overall responsibility for the curriculum, school taxes, annual budget, employment of the superintendent and other professional staff, and facilities. The board has complete and final control over school matters within limits established by state and federal laws and regulations.

The board of trustees is elected by the citizens of the district to represent the community's commitment to a strong educational program for the district's children. Trustees are elected for three-year terms. Trustees serve without compensation, must be registered voters, and must reside in the district.

Current board members include:

- Koby Killion, President
- Sandy Walker, Vice President
- Julie Erb, Secretary
- Weldon Edwards
- Skip Griffith
- Brian Woods
- Bryan Woodward

The board usually meets regularly on the second Monday of each month at 6:30 p.m. in the BISD Board Room at 212 North Miller. In the event that large attendance is anticipated, the board may meet at a location to be determined. Special meetings may be called when necessary. A written notice of regular and special meetings will be posted on the district Web site and at the District Administration Building at 208 North Miller at least 72 hours before the scheduled meeting time. The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with a two-hour notice.

All meetings are open to the public. In certain circumstances, Texas law permits the board to go into a closed session from which the public and others are excluded. Closed session may occur for such things as discussing prospective gifts or donations, real-property acquisition, certain personnel matters including employee complaints, security matters, student discipline, or consulting with attorneys regarding pending litigation.

## **Employment**

---

### **Equal Employment Opportunity**

*Policies DAA, DIA*

Breckenridge ISD does not discriminate against any employee or applicant for employment because of race, color, religion, gender, national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

Employees with questions or concerns about discrimination based on sex, including sexual harassment should contact Linda Sims, the district Title IX coordinator. Employees with questions or concerns about discrimination on the basis of a disability should contact Jennings Teel, the district ADA/Section 504 coordinator. Questions or concerns relating to discrimination for any other reason should be directed to the Superintendent.

### **Job Vacancy Announcements**

*Policy DC*

Announcements of job vacancies by position and location are posted on a regular basis to the district's Web site and at each campus. Jobs may also be posted at the ESC14 Website, TASA, as well as content area, job specific websites.

### **Employment After Retirement**

*Policy DC*

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed in limited circumstances on a full- or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication Employment After Retirement. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available on the TRS Web Site ([www.trs.state.tx.us](http://www.trs.state.tx.us)).

## Contract and Non-contract Employment

### *Policy DC series*

State law requires the district to employ all full-time professional employees in positions requiring a certificate from the State Board for Educator Certification (SBEC) and nurses under probationary, term, or continuing contracts. Employees in all other positions are employed at-will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the district.

**Probationary Contracts.** Nurses and full-time professional employees new to the district and employed in positions requiring SBEC certification must receive a probationary contract during their first year of employment. Former employees who are hired after at least a two-year lapse in district employment also may be employed by probationary contract. Probationary contracts are one-year contracts. The probationary period for those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the district may not exceed one school year.

For those with less experience, the probationary period will be three school years (i.e., three one-year contracts) with an optional fourth school year if the board determines it is doubtful whether a term or continuing contract should be given.

**Term Contracts.** Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract. Employment policies can be accessed on line or copies will be provided upon request.

**Noncertified Professional and Administrative Employees.** Employees in professional and administrative positions that do not require SBEC certification (such as noninstructional administrators) are not employed by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

**Paraprofessional and Auxiliary Employees.** All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

## Searches and Alcohol and Drug Testing

### *Policy DHE*

Noninvestigatory searches in the workplace including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the district reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of

work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee, the employee's personal items, and work areas including district-owned computers, lockers, and private vehicles parked on district premises or work sites or used in district business.

**Employees Required to Have a Commercial Driver's License.** Any employee whose duties require a commercial driver's license (CDL) is subject to drug and alcohol testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people counting the driver, drivers of large vehicles, or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the district's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

Employees with questions or concerns relating to alcohol and drug policies and related educational material should contact the BISD Administration Office at 254-559-2278.

## **Health Safety Training**

*Policies DBA, DMA*

Certain employees who are involved in physical activities for students must maintain and submit to the district proof of current certification or training in first aid, cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), and extracurricular athletic activity safety. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, University Interscholastic League, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to the .

## **Reassignments and Transfers**

*Policy DK*

All personnel are subject to assignment and reassignment by the superintendent or designee when the superintendent or designee determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be

approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplemental duty assignment is part of a dual-assignment contract. Employees who object to a reassignment may follow the district process for employee complaints as outlined in this handbook and district policy DGBA (Local).

An employee with the required qualifications for a position may request a transfer to another campus or department. A written request for transfer must be completed and signed by the employee and the employee's supervisor. A teacher requesting a transfer to another campus before the school year begins must submit his or her request by June 1 or the last day of instruction. Requests for transfer during the school year will be considered only when the change will not adversely affect students and after a replacement has been found. All transfer requests will be coordinated by the Superintendent or designee and must be approved by the receiving supervisor.

## Workload and Work Schedules

*Policies DEA, DL*

**Professional Employees.** Professional employees and academic administrators are exempt from overtime pay and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students during lunch one day a week when no other personnel are available.

**Paraprofessional and Auxiliary Employees.** Support employees are employed at will and receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees are not exempt from overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor.

## Notification to Parents Regarding Qualifications

*Policies DK, DBA*

In schools receiving Title I funds, the district is required by the No Child Left Behind Act (NCLB) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child's teacher. NCLB also requires that parents be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who is not highly qualified.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notification under NCLB is sent. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call the Administration Office at 254-559-2278.

## **Outside Employment and Tutoring**

### *Policy DBD*

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

## **Performance Evaluation**

### *Policy DN series*

Evaluation of an employee's job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the district. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

## **Employee Involvement**

### *Policies BQA, BQB*

At both the campus and district levels, Breckenridge ISD offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the district. As part of the district's planning and decision-making process, employees are elected to serve on district- or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office or from the Administration Office.

## Staff Development

### *Policy DMA*

Staff development activities are organized to meet the needs of employees and the district. Staff development for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus-level advisory committee. Staff development for noninstructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development.

Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

## Compensation and Benefits

---

### Salaries, Wages, and Stipends

#### *Policies DEA, DEAA*

Employees are paid in accordance with administrative guidelines and an established pay structure. The district's pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as non-exempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek. (See *Overtime Compensation*, page15)

All employees will receive written notice of their pay and work schedules before the start of each school year. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district's extra-duty pay schedule.

Employees should contact the Superintendent for more information about the district's pay schedules or their own pay.

## Annualized Compensation

### *Policy DEA*

The district pays all salaried employees over 12 months regardless of the number of months employed during the school year. Salaried employees will be paid in equal monthly or bimonthly payments, beginning with the first pay period of the school year. Employees that separate after the last day of instruction will continue to receive paychecks through the end of the summer.

## Paychecks

All professional and salaried employees are paid monthly. Hourly employees are paid every two weeks. Paychecks will not be released to any person other than the district employee named on the check without the employee's written authorization.

An employee's payroll statement contains detailed information including deductions, withholding information, and the amount of leave accumulated. If you have questions about your payroll statement contact the payroll office.

Paychecks are distributed on the 25<sup>th</sup> of each month. If the 25<sup>th</sup> is not a working day, paychecks will be received on the last working day prior to the 25<sup>th</sup>.

## Automatic Payroll Deposit

Employees can have their paychecks electronically deposited into a designated account. A notification period of 30 days is necessary to activate this service. Contact the BISD Payroll Clerk for more information about the automatic payroll deposit service.

## Payroll Deductions

### *Policy CFEA*

The district is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS) or Social Security employee contributions
- Federal income tax required for all full-time employees
- Medicare tax (applicable only to employees hired after March 31, 1986)

Other payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, and vision insurance; annuities; and higher education savings plans. Employees also may request payroll deduction for payment of membership dues to

professional organizations. Salary deductions are automatically made for unauthorized or unpaid leave.

## Overtime Compensation

### *Policy DEA*

The district compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor.

Overtime is legally defined as all hours worked in excess of 40 hours in a workweek and is not measured by the day or by the employee's regular work schedule. Nonexempt employees that are paid on a salary basis are paid for a 40-hour workweek and do not earn additional pay unless they work more than 40 hours. For the purpose of calculating overtime, a workweek begins at 12:01 a.m. Sunday and ends at midnight Saturday.

Employees may be compensated for overtime at time-and-a-half rate with compensatory time off (comp time) or direct pay. The following applies to all nonexempt employees:

- Employees can accumulate up to 60 hours of comp time.
- Comp time must be used in the duty year that it is earned.
- Use of comp time may be at the employee's request with supervisor approval, as workload permits, or at the supervisor's direction.
- An employee may be required to use comp time before using available paid leave (e.g., sick, personal, vacation).
- Weekly time records will be maintained on all nonexempt employees for the purpose of wage and salary administration.

## Travel Expense Reimbursement

### *Policy DEE*

Before any travel expenses are incurred by an employee, the employee's supervisor and the Superintendent must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by the district. Employees must submit receipts, to the extent possible, to be reimbursed for expenses other than mileage.

## Health, Dental, and Life Insurance

### *Policy CRD*

Group health insurance coverage is provided through TRS-ActiveCare, the statewide public school employee health insurance program. The district's contribution to employee insurance

premiums is determined annually by the board of trustees. Employees eligible for health insurance coverage include the following:

- Employees who are active, contributing TRS members
- Employees who are not contributing TRS members and who are regularly scheduled to work at least 10 hours per week

TRS retirees who are enrolled in TRS-Care (retiree health insurance program) and employees who are not contributing TRS members who are regularly scheduled to work less than 10 hours per week, are not eligible to participate in TRS-ActiveCare.

The insurance plan year is from September 1 through August 31. Current employees can make changes in their insurance coverage during open enrollment each spring. Detailed descriptions of insurance coverage, employee cost, and eligibility requirements are provided to all employees in a separate booklet. Employees should contact the Administration Office for more information.

## **Supplemental Insurance Benefits**

### *Policy CRD*

At their own expense, employees may enroll in supplemental insurance programs. Premiums for these programs can be paid by payroll deduction. Employees should contact the Payroll Clerk for more information.

## **Cafeteria Plan Benefits (Section 125)**

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., disability, accidental death and dismemberment, cancer and dread disease, dental, and additional term life insurance). A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period.

## **Workers' Compensation Insurance**

### *Policy CRE*

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. The district has workers' compensation coverage from Edwards Risk Management, Inc.

Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to the Superintendent. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. See *Workers' Compensation Benefits*, page 17, for information on use of paid leave for such absences.

## **Unemployment Compensation Insurance**

### *Policy CRF*

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the Superintendent.

## **Teacher Retirement**

### *Policy DEG*

All personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Substitutes not receiving TRS service retirement benefits who work at least 90 days a year are also eligible for TRS membership and to purchase a year of creditable service. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify TRS as soon as possible. Information on the application procedures for TRS benefits is available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778 or 512-542-6400. TRS information is also available on the Web ([www.trs.state.tx.us](http://www.trs.state.tx.us)). See page 8 for information on restrictions of employment of retirees in Texas public schools.

## **Other Benefit Programs**

### *Policy DEG*

Children of nonresident district employees may attend district schools tuition free. Any district provisions regarding insurance programs and/or deferred compensation programs are found in policies CRD Local and CRG Local, respectively.

# Leaves and Absences

---

*Policies DEC, DECA, DECB*

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five days should call the BISD Administrative Office for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the district.

**Use of Leave.** Leave is available for the employee's use as allowed by state and local policy. However, state personal and local leave is earned on an annual basis. If an employee leaves the district before the end of the work year, the cost of any unearned leave days taken shall be deducted from the employee's final paycheck.

- Leave must be used in half day increments. However, if an employee is taking family and medical leave, leave shall be recorded in one-hour increments. Earned comp time must be used before any available paid state and local leave. For questions about the order of use of available paid state and local leave, the employee should contact the Administration Office.

Employees must follow district and department or campus procedures to report or request any leave of absence and complete the appropriate form or certification.

**Medical Certification.** Any employee who is absent more than five days because of a personal or family illness must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and—in the case of personal illness—the employee's fitness to return to work.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. 'Genetic information,' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

**Continuation of Health Insurance.** Employees on an approved leave of absence other than family and medical leave may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the Family and Medical Leave Act will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave.

## Personal Leave

State law entitles all employees to five days of paid personal leave per year. Personal leave is earned at a rate dependent upon the employee's contract. A day of earned personal leave is equivalent to an assigned workday. State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. There are two types of personal leave: nondiscretionary and discretionary.

**Nondiscretionary.** Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered nondiscretionary leave. Reasons for this type of leave allow very little, if any, advance planning. Nondiscretionary leave will be granted to employees in the same manner as state sick leave.

**Discretionary.** Leave taken at an employee's discretion that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a request to his or her principal or supervisor three days in advance of the anticipated absence. The effect of the employee's absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor.

## State Sick Leave

State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas. State sick leave can be used for no more than five consecutive day increments, except when coordinated with family and medical leave taken on an intermittent or reduced-schedule basis or when coordinated with workers' compensation benefits.

State sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

## Local Sick Leave

### *DEC Local*

All full-time employees shall earn an addition five workdays of local sick leave per school year, at a rate of one-half workday for each 18 workdays of employment up to a maximum of five workdays per year.

Local sick shall accumulate to a maximum of 15 workdays effective with the 2004-05 school year.

Local sick leave may be used only for the following purposes:

1. Personal illness or injury
2. Illness or death in the immediate family

Any unused sick leave balance shall be reduced to zero immediately upon termination of employment with the District. An employee is not entitled to be paid for unused local sick leave upon resignation, non-renewal, or termination of employment.

## **Extended Sick Leave**

### *Policy DEC Local*

A full-time employee or part-time employee who has exhausted earned sick leave benefits shall be granted in a school year a maximum of 20 workdays of noncumulative extended sick leave to be used only for the employee's own personal illness or disability, including pregnancy-related disability. The substitute's maximum daily rate of pay shall be deducted for each extended sick day used.

A written request of extended sick leave must be accompanied by medical certification of the illness or injury.

The maximum daily rate of pay of a substitute for the employee's position shall be deducted for each day of extended sick leave taken, whether or not a substitute is employed.

## **Sick Leave Bank (or Pool)**

### *DEC Local*

A District sick leave pool shall be established from voluntary donations of local sick leave or state personal leave by individual District employees to assist the fellow employee who has exhausted all paid leave, including extended leave, and who suffers from a personal illness or disability including pregnancy-related disability, or a member of the employee's immediate family.

The request for the establishment of a sick leave pool shall be made in writing to the Superintendent. Pooling may be requested when an employee has exhausted all available paid leave, including extended leave. One call for voluntary donations shall be made for each pool.

The Superintendent or designee shall then initiate the sick leave pool for the employee and notify District staff.

The sick leave pool shall be created by voluntary contributions by District staff for a specific individual and donated days shall be designated to a specific pool. Contributions may consist of one to three leave days per person. No employee may contribute more than three days of leave per school year to sick leave pools. No sick leave pool shall exceed 50 days. Donations of leave shall be charged and recorded in the following order:

1. At the employee's discretion, either the current year local sick leave or the current year state personal leave. Once either category of leave is exhausted, any additional days shall be charged to the other category, as available.
2. Accumulated local sick leave
3. Accumulated state personal leave

A sick leave pool ceases to exist when the employee returns to work or when the sick leave pool is depleted. Unused sick leave pool days shall revert to the donors and shall be divided proportionately among individuals according to the amount contributed. Reimbursed days shall be divided in increments of no less than one-half day. No general pool shall remain in existence.

All decisions regarding the establishment or implementation of the District's sick leave pool may be appealed in accordance with DGBA (Local), beginning with the Superintendent or designee.

## Family and Medical Leave Act (FMLA)—General Provisions

The following text is from the federal notice, *Employee Rights and Responsibilities Under the Family and Medical Leave Act*. Specific information that the district has adopted to implement the FMLA follows this general notice.

**Basic Leave Entitlement.** The FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

**Military Family Leave Entitlements.** Eligible employees with a spouse, son, daughter, or parent on active military duty and deployed to a foreign country may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

The FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the servicemember medically unfit to perform his or her duties for which the servicemember is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list. It also includes a family member

who is a veteran with an illness or injury that occurs in the line of duty while on active duty and manifests itself before or after the servicemember became a veteran. The veteran must have been on active duty during the five years preceding the need for treatment, recuperation, or therapy.

**Benefits and Protections.** During FML, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FML, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FML cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

**Eligibility Requirements.** Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

**Definition of Serious Health Condition.** A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

**Use of Leave.** An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

**Substitution of Paid Leave for Unpaid Leave.** Employees may choose or employers may require use of accrued paid leave while taking FML. In order to use paid leave for FML, employees must comply with the district's normal paid leave policies.

**Employee Responsibilities.** Employees must provide 30 days advance notice of the need to take FML—when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment

by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FML was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

**Employer Responsibilities.** Covered employers must inform employees requesting leave whether they are eligible under the FMLA. If they are eligible, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FML and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FML, the employer must notify the employee.

**Unlawful Acts by Employers.** The FMLA makes it unlawful for any employer to: interfere with, restrain, or deny the exercise of any right protected under the FMLA; discharge or discriminate against any person for opposing any practice made unlawful by the FMLA or for involvement in any proceeding under or relating to the FMLA.

**Enforcement.** An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

The FMLA does not affect any Federal or State law prohibiting discrimination or supersede any state or local law or collective bargaining agreement which provides greater family or medical leave rights.

*FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300 (a) may require additional disclosures.*

## Local Family and Medical Leave Provisions

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period beginning on the first duty day of the school year

**Use of Paid Leave.** FML runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The district will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently.

**Combined Leave for Spouses.** A husband and wife who are both employed by the district are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

**Intermittent Leave.** When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The district does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

**District Contact.** Employees that require FML or have questions should contact the Administration Office for details on eligibility, requirements, and limitations.

## Temporary Disability Leave

**Certified Employees.** Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. An employee's notification of need for extended absence due to the employee's own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician's statement confirming the employee's inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 calendar days.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the board of trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, the Superintendent should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician's statement confirming that the employee is able to resume regular duties. Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may be assigned to another campus, subject to the approval of the campus principal. If a position is not available before the end of the school year, the employee will be reinstated to a position at the original campus at the beginning of the following school year.

## Workers' Compensation Benefits

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days.

An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use accumulated sick leave or any other paid leave benefits. An employee choosing to use paid leave will not receive workers' compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or -injury wage. If the use of paid leave is not elected, then the employee will only receive workers' compensation wage benefits for any absence resulting from a work-related illness or injury, which may not equal his or her pre-illness or -injury wage.

## **Assault Leave**

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person nonresponsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

## **Bereavement Leave**

Use of state personal leave, state sick leave accumulated before May 30, 1005, and/or local sick leave for death in the immediate family shall not exceed five work-days per occurrence, subject to the approval of the District.

## **Jury Duty**

Employees will receive leave with pay and without loss of accumulated leave for jury duty. Employees must present documentation of the service and may retain any compensation they receive.

## **Other Court Appearances**

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use paid leave. Employees may be required to submit documentation of their need for leave for court appearances.

## Military Leave

**Paid Leave for Military Service.** Any employee who is a member of the Texas National Guard, Texas State Guard, or reserve component of the United States Armed Forces will be granted a paid leave of absence without loss of any accumulated leave for authorized training or duty orders. Paid military leave will not exceed 15 days each federal fiscal year (October 1–September 30). In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

**Reemployment after Military Leave.** Employees who leave the district to enter into the United States uniformed services or who are ordered to active state military duty (Texas National Guard or Texas State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed in the position they would have held if employment had not been interrupted or reassigned to an equivalent or similar position provided they can be qualified to perform the required duties. To be eligible for reemployment, employees must provide notice of their obligation or intent to perform military service, provide evidence of honorable discharge or release, and submit an application for reemployment to the Superintendent. In most cases, the length of military service cannot exceed five years, and the employee must apply for reemployment within the period of time specified in law.

**Continuation of Health Insurance.** Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact the Administration Office for details on eligibility, requirements, and limitations.

Breckenridge American news articles, campus marques for posting information, emails, personal calls, Skyward postings, the BISD Website, Family Access, and a Mass Communication System.

## Complaints and Grievances

### *Policy DGBA*

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the board of trustees. For ease of reference, the district's policy concerning the process of bringing concerns and complaints is reprinted as follows: go to [www.breckenridgeisd.org](http://www.breckenridgeisd.org) and access the policy on-line under the heading School Board. Insert DGBA (Local) in the policy code box.

## Discrimination, Harassment, and Retaliation

### *Policies DH, DIA*

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action.

Employees who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate district official. If the campus principal, supervisor, or district official is the subject of a complaint, the employee should report the complaint directly to the superintendent. A complaint against the superintendent may be made directly to the board.

The district's policy that includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation is reprinted below: go to [www.breckenridgeisd.org](http://www.breckenridgeisd.org) and access the policy on-line under the heading School Board. Insert DIA (Local) in the policy code box

## Harassment of Students

*Policies DF, DH, FFG, FFH*

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited. Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. All allegations of prohibited harassment of a student by an employee or adult will be reported to the student's parents and promptly investigated. An employee who knows of or suspects child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law. See *Reporting Suspected Child Abuse*, page 31 and *Bullying*, page 49 for additional information.

The district's policy that includes definitions and procedures for reporting and investigating harassment of students is reprinted below: go to [www.breckenridgeisd.org](http://www.breckenridgeisd.org) and access the policy on-line under the heading School Board. Insert DF (Legal) and EEH (Local) in the policy code box

## Reporting Suspected Child Abuse

*Policies DF, DG, DH, FFG, GRA*

All employees are required by state law to report any suspected child abuse or neglect to a law enforcement agency, Child Protective Services, or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering a facility) within 48 hours of the event that led to the suspicion. Abuse is defined by SBEC and includes the following acts or omissions:

- Mental or emotional injury to a student or minor that results in an observable and material impairment in the student's or minor's development, learning, or psychological functioning;
- Causing or permitting a student or minor to be in a situation in which the student or minor sustains a mental or emotional injury that results in an observable and material impairment in the student's or minor's development, learning, or psychological functioning;
- Physical injury that results in substantial harm to a student or minor, or the genuine threat of substantial harm from physical injury to the student or minor, including an injury that is at variance with the history or explanation given and excluding an accident or reasonable discipline; or
- Sexual conduct harmful to a student's or minor's mental, emotional, or physical welfare.

Reports to Child Protective Services can be made to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In

addition, the district is prohibited from retaliating against an employee who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to report suspected child abuse may result in prosecution as a Class A misdemeanor. In addition, a certified employee's failure to report suspected child abuse may result in disciplinary procedures by SBEC for a violation of the Code of Ethics and Standard Practices for Texas Educators.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

## Child Sexual Abuse

As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS).

Employees are required to follow the procedures described above in *Reporting Suspected Child Abuse*.

## Technology Resources

### *Policy CQ*

The district's technology resources, including its network access to the Internet, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the district.
- Does not unduly burden the district's computer or network resources
- Has no adverse effect on job performance or on a student's academic performance

Electronic mail transmissions and other use of the technology resources are not confidential and can be monitored at any time to ensure appropriate use.

## Personal Use of Electronic Media

### *Policy DH*

Electronic media includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), Web logs (blogs), electronic forums (chat rooms), video-sharing Web sites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, MySpace, Twitter, LinkedIn). Electronic media also includes all forms of telecommunication such as landlines, cell phones, and Web-based applications.

As role models for the district’s students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic media as they are for any other public conduct. If an employee’s use of electronic media interferes with the employee’s ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee’s page, including content added by the employee, the employee’s friends, or members of the public who can access the employee’s page, and for Web links on the employee’s page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic media for personal purposes shall observe the following:

- The employee may not set up or update the employee’s personal social network page(s) using the district’s computers, network, or equipment.
- The employee shall not use the district’s logo or other copyrighted material of the district without express, written consent.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Code of Ethics and Standard Practices for Texas Educators, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:
  - Confidentiality of student records. [See Policy FL]
  - Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law. [See Policy DH (EXHIBIT)]
  - Confidentiality of district records, including educator evaluations and private e-mail addresses. [See Policy GBA]
  - Copyright law [See Policy CY]

- Prohibition against harming others by knowingly making false statements about a colleague or the school system. [See Policy DH (EXHIBIT)]

See *Use of Electronic Media with Students*, below, for regulations on employee communication with students through electronic media.

## Use of Electronic Media with Students

### *Policy DH*

A certified or licensed employee, or any other employee designated in writing by the superintendent or a campus principal, may communicate through electronic media with students who are currently enrolled in the district. The employee must comply with the provisions outlined below. All other employees are prohibited from communicating with students who are enrolled in the district through electronic media.

An employee is not subject to these provisions to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, or religious organization.

The following definitions apply for the use of electronic media with students:

- *Electronic media* includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), Web logs (blogs), electronic forums (chat rooms), video-sharing Web sites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, MySpace, Twitter, LinkedIn). *Electronic media* also includes all forms of telecommunication such as landlines, cell phones, and Web-based applications.
- *Communicate* means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a *communication*: however, the employee may be subject to district regulations on personal electronic communications. See *Personal Use of Electronic Media*, above. Unsolicited contact from a student through electronic means is not a *communication*.
- *Certified or licensed employee* means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

An employee who uses electronic media to communicate with students shall observe the following:

- The employee may use any form of electronic media **except** text messaging. Only a teacher, trainer, or other employee who has an extracurricular duty may use text

- messaging, and then only to communicate with students who participate in the extracurricular activity over which the employee has responsibility.
- The employee shall limit communications to matters within the scope of the employee’s professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).
  - The employee is prohibited from knowingly communicating with students through a personal social network page; the employee must create a separate social network page (“professional page”) for the purpose of communicating with students. The employee must enable administration and parents to access the employee’s professional page.
  - The employee shall not communicate directly with any student between the hours of \_\_\_\_\_ p.m. and \_\_\_\_\_ a.m. An employee may, however, make public posts to a social network site, blog, or similar application at any time.
  - The employee does not have a right to privacy with respect to communications with students and parents.
  - The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Code of Ethics and Standard Practices for Texas Educators, including:
    - Compliance with the Public Information Act and the Family Educational Rights and Privacy Act (FERPA), including retention and confidentiality of student records. [See Policies CPC and FL]
    - Copyright law [Policy CY]
  - Prohibitions against soliciting or engaging in sexual conduct or a romantic relationship with a student. [See Policy DF]
  - Upon request from administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with any one or more currently-enrolled students.
  - Upon written request from a parent or student, the employee shall discontinue communicating with the student through e-mail, text messaging, instant messaging, or any other form of one-to-one communication.

An employee may request an exception from one or more of the limitations above by submitting a written request to his or her immediate supervisor.

## **Criminal History Background Checks**

### *Policy DBAA*

Employees may be subject to a review of their criminal history record information at any time during employment. National criminal history checks based on an individual’s fingerprints, photo, and other identification will be conducted on certain employees and entered into the Texas Department of Public Safety (DPS) Clearinghouse. This database provides the district and SBEC with access to an employee’s current national criminal history and updates to the employee’s subsequent criminal history.

In addition, individual employees may request in writing to be notified of pesticide applications. An employee who requests individualized notice will be notified by telephone, written or electric means. Pest control information sheets are available from campus principals or facility managers upon request.

## General Procedures

### Bad Weather Closing

*Policy CKC*

The district may close schools because of bad weather or emergency conditions. When such conditions exist, the Superintendent will make the official decision concerning the closing of the district's facilities. When it becomes necessary to open late, to release students early, or to cancel school, district officials will utilize the Mass Communication System, post a notice on the district's Web site and notify the following radio and television stations: KTXS, KTAB, and KRBC television stations as well as KLXX/KROO Radio Stations.

### Emergencies

*Policies CKC, CKD*

All employees should be familiar with the safety procedures for responding to a medical emergency and the evacuation diagrams posted in their work areas. Emergency drills will be conducted to familiarize employees and students with safety and evacuation procedures. Each campus is equipped with an automatic external defibrillator. Fire extinguishers are located throughout all district buildings. Employees should know the location of these devices and procedures for their use.

### Purchasing Procedures

*Policy CH*

All requests for purchases must be submitted to the Superintendent on an official district purchase order (PO) form with the appropriate approval signatures. Contract employees may resign at any other time only with the approval of the superintendent or the board of trustees. Resignation without consent may result in disciplinary action by the State Board for Educator Certification (SBEC).

The superintendent will notify SBEC when an employee resigns and reasonable evidence exists to indicate that the employee has engaged in any of the acts listed in *Reports to the State Board for Educator Certification* on page 46

**Noncontract Employees.** Noncontract employees may resign their position at any time. A written notice of resignation should be submitted to the employee's supervisor at least two weeks prior to the effective date. Employees on probationary, term, and continuing contracts can be dismissed during the school year according to the procedures outlined in district policies. Employees on probationary or term contracts can be nonrenewed at the end of the contract term. Contract employees dismissed during the school year, suspended without pay, or subject to a reduction in force are entitled to receive notice of the recommended action, an explanation of the charges against them, and an opportunity for a hearing. The time lines and procedures to be followed when a suspension, termination, or nonrenewal occurs will be provided when a written notice is given to an employee. Advance notification requirements do not apply when a contract employee is dismissed for failing to obtain or maintain appropriate certification or whose certification is revoked for misconduct. Information on the time lines and procedures can be found in the DF series policies that are provided to employees or are available on line.

## Dismissal of Non-contract Employees

*Policy DCD*

Noncontract employees are employed at will and may be dismissed without notice, a description of the reasons for dismissal, or a hearing. It is unlawful for the district to dismiss any employee for reasons of race, color, religion, gender, national origin, age, disability, military status, genetic information, any other basis protected by law, or in retaliation for the exercise of certain protected legal rights. Noncontract employees who are dismissed have the right to grieve the termination. The dismissed employee must follow the district process outlined in this handbook when pursuing the grievance. (See *Complaints and Grievances*, page 29.)

## Exit Interviews and Procedures

*Policies DC and CY*

Exit interviews will be scheduled for all employees leaving the district. Information on the continuation of benefits, release of information, and procedures for requesting references will be

Separating employees are asked to provide the district with a forwarding address and phone number and complete a questionnaire that provides the district with feedback on his or her employment experience. All district keys, books, property including intellectual property, and equipment must be returned upon separation from employment.

The student handbook provides parents and students with detailed information on student records. Parents or students who want to review student records should be directed to the campus principal for assistance.

## **Parent and Student Complaints**

### *Policy FNG*

In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the board has adopted orderly processes for handling complaints on different issues. Any campus office or the superintendent's office can provide parents and students with information on filing a complaint.

Parents are encouraged to discuss problems or complaints with the teacher or the appropriate administrator at any time. Parents and students with complaints that cannot be resolved to their satisfaction should be directed to the campus principal. The formal complaint process provides parents and students with an opportunity to be heard up to the highest level of management if they are dissatisfied with a principal's response.

## **Administering Medication to Students**

*Policy FFAC*

Only designated employees can administer prescription medication, nonprescription medication, and herbal or dietary supplements to students. A student who must take medication during the school day must bring a written request from his or her parent and the medicine in its original, properly labeled container. Contact the principal or school nurse for information on procedures that must be followed when administering medication to students.

## **Dietary Supplements**

*Policies DH, FFAC*

Other employees that have concerns about a particular student's conduct should contact the classroom teacher or campus principal.

## Student Attendance

### *Policy FEB*

Teachers and staff should be familiar with the district's policies and procedures for attendance accounting. These procedures require minor students to have parental consent before they are allowed to leave campus. When absent from school, the student upon returning to school, must bring a note signed by the parent that describes the reason for the absence. These requirements are addressed in campus training and in the student handbook. Contact the campus principal for additional information.

## Bullying

### *Policy FFI*

All employees are required to report student complaints of bullying to the campus principal, supervisor or Superintendent. The district's policy includes definitions and procedures for reporting and investigating bullying of students and is reprinted below: go to [www.breckenridgeisd.org](http://www.breckenridgeisd.org) and access the policy on-line under the heading School Board.
