Season wrap-up for all levels from 7th grade to Varsity

I am very proud of the effort that all of the teams put in this year. I think that, as a program, we grew by leaps and bounds. Your work ethic was absolutely amazing. Although the entire season didn't go as planned, it is my belief that the future of Buckaroo Volleyball looks bright. Our Varsity squad ended the season with a record of 14-18. They placed 3rd at the Dublin Tournament and 2nd at the Bangs Tournament. Even though it was on the downside, we played many matches to 5, but just came up short. We will be losing 5 seniors including both middles, Chelsey Herrington and Sydney Caffey, 2 outside hitters and backrow players, Lindley Brown and Allye Killman, and 1 setter, Brooklyn Moore. These ladies will be missed. It is time for sub-varsity players to step up! The JV Team was 14-9. They won the Albany Tournament. Along with our Varsity returners-Shelbi Perrin, Brooklynde Parks, Taylor Simmons, and Kelsey Wilcox- we will be looking to some of these ladies to fill spots. We can't forget our Freshmen Team. They won 2nd Place at the Albany Tournament.

They have some players that will have to step up and play alongside some upper classmen. Our JH program made great strides. The eighth graders also had a good year! They came in and had some big wins this year. Their record was 4-6 for the A team and 5-5 for the B team. We will be looking to that team for some outstanding play. Our 7th graders also did a remarkable job! They started off the year with big wins! Their final record was 2-8 for the A team and 3-7 for the B team. We will be looking to them to show incoming 7th graders how to work hard to achieve big things.

All in all, I am very pleased with the things that we accomplished this year. I thought we played as a team. We will need to work on having more fun and going out to make big plays. The key is to do good things more consistently! We will get there.
