BRYAN D. DIETERICH, Principal

Danny Freeman, Assistant Principal

Parents and students of BHS,

I would like to take this time to say welcome to both returning students and to the new students at Breckenridge High School. We are looking forward to a very successful year. These changing times that are happening around us bring very high expectations to our schools and educational institutions. We encourage parents that if you have concerns, please contact us and let us sit down and talk about the issues at hand. It takes a community to raise a child, and we want to do the best job we can to prepare our student's for the future and develop young men and women that are ready to tackle their goals and aspirations.

Being a buckaroo is about many things, but first and foremost, it is about pride and tradition. Breckenridge is full of pride; and with the traditions of this school district, we try to instill that into our students for today and for them to be adults for tomorrow. Hard work and the attitude to never give up is a pride that we strive for every day. Throw out a challenge, and do everything in your power to live up to it. Do that every day and you will always be a better person tomorrow. Set your sites high, and do whatever it takes to reach your goals. We do one thing as a staff and that is that we **B**elieve in a **U**nified **C**hallenge for **K**nowledge and **S**uccess. If we focus, and work every day like it is your last, you are a true one hundred percent Buckaroo.

BHS has the goal to develop courses that will prepare your child for the future. All students develop educational and career pathways that give your student direction to prepare them for the career of their choice. Along this pathway, your student will have opportunities here at BHS that they will have a hard time getting anywhere else. They will have opportunities to receive college credit in Career and Technology and academic courses. Please encourage your child to take advantage of these opportunities in front of them, work hard, and get a great start to their future.

The board has set outstanding goals for the 2010-2011 school year. These goals were developed in the best interest of all students and should be a magnificent step toward Breckenridge ISD becoming one of the most elite school districts in the state.

These goals are:

- 1.All Campuses Exemplary by 2014 school year.
- 2.Balanced budget at the end of this school year.
- 3.Average Daily Attendance at 96%
- 4.Build new facilities and improve existing facilities.
- 5.Marketing BISD

The goals that the board has given to us are not only goals for our teachers, administrators, or even our students, it is our community goals for our schools. Let's all join together, support the Buckaroos, and let's have the greatest year ever.

Sincerely,

Bryan Dieterich
Principal
Breckenridge High School

P.S. Log on to the district website <http://www.breckenridgeisd.org/> and go to:

1. Calendars
2. High School Calendars and check out the great things happening at BHS.
