

# Welcome to Breckenridge ISD's District Website

Jennings Teel  
BISD Superintendent

Breckenridge is known throughout the State as a community which takes pride in its academic and extracurricular programs. When our students enter the arena of competition , whether it be academics or athletics, they take with them years of pride competing for the Green and White. As superintendent, it is a privilege to be a part of this Buckaroo Heritage. This is an education community where teachers teach with love in their hearts and smiles on their faces. Whether you are a parent, community member, educator, or visitor, I want to personally thank you for visiting the Breckenridge ISD website. Please join me in making the 2009-10 school year one of the best years in Buckaroo history.

**GO BUCKS!**
