

How to reach Buckaroo Mobile Web: Open your smart phone's browser and then go to a search engine such as Google. Next, type "Breckenridge ISD" into your phone's search engine; then, click on our school district's link that results from the search. You will automatically be directed to BISD's mobile website. That's all there is to it. Scroll down through the buttons, and you should find several helpful links. You may want to add Buckaroo Mobile Web to your phone's home screen for quick access. Go, Bucks!
