

## BHS and BJHS Technology Access Plan

In the transition to virtual classrooms, BISD wants to alleviate any barriers to learning for our students, particularly as it pertains to technology access. Students who do not have access to a computer or tablet are able to check out a Chromebook from BISD with parental approval. Students AND Parents MUST be present to sign for the Chromebook and to sign the contract for borrowing the device. Students will be required to turn in the Chromebook when we return to campus or at any date scheduled by the district.

Additionally, if students do not have access to the internet, then a computer lab will be open according to the schedule below for students to complete their classwork.

### Chromebook Pickup Schedule

Thursday, March 19 and Friday, March 20 HS Students pickup in HS Foyer JH Students pickup in JH at Main Entrance
