RE: School Closure

Breckenridge Family,

Your patience with BISD's rapidly changing reaction to the COVID-19 emergency is appreciated. **The decision has been made to close Breckenridge ISD through April 3, 2020.** During this closure the District is working to provide instructional continuity to students. Students and families will be receiving information from their campus principal describing the process and procedures for the delivery of instruction.

Governor Abbott has cancelled all STAAR testing. Commissioner of Education, Mike Morath, has stated that requirements for graduation and promotion of students will be left to a local decision. Although the school facilities are closed, students will be required to complete their assigned work. **The opportunity for BISD students to graduate or be promoted to the next grade will be in part determined by the quantity and quality of work that is completed during this time of closure.**

Once again we appreciate your cooperation in our time of emergency response to the COVID-19 emergency.

Sincerely

Earl jarrett
Interim Superintendent
