

BISD's 2013-2014 GOALS

- 1. All campuses will maintain an Average Daily Attendance of 97% through educating students, parents and the community on the relationship between attendance and student/district success.**
- 2. Every campus will be highly competitive by outperforming regional districts, as well as performing above the state average on accountability ratings (STAAR).**
- 3. The district will end the 2013-14 year with a balanced budget.**
- 4. Develop and begin implementation of a district-wide plan focusing on student and campus safety regarding facilities.**
- 5. Better prepare graduates for post-secondary education or entry into the workforce.**
- 6. Provide a positive environment district-wide for all students and employees.**
