

Principal's Corner

Time seems to be just flying by and we are at the end of the second six weeks already. Before you know it, we will be at graduation and looking forward to another year again. Does this mean I am going downhill when the years start going by faster? I am so proud of the way things are going on the hill. Everyone is working so hard to try and reach our goals for this year.

1. Attendance above 96%
2. Balanced Budget
3. Exemplary Schools
4. Working toward new facilities
5. Marketing Breckenridge ISD

The effort and hard work to achieve these goals by the faculty and the students has been incredible. If you haven't seen the infomercial that has been done by our kids it is incredible. It should be up on our web page soon.

Congratulations to the students who performed in "Sweeny Todd". It was an outstanding performance and I know a lot of hard work went in to this great performance. We are looking forward to your next performance that is coming up soon of "Winnie the Pooh". Good luck theater department. Also, congratulations to the Girl's cross country team and Michael Mitchell for making it to Regional's at Lubbock. Good Luck.
