BRECKENRIDGE INDEPENDENT SCHOOL DISTRICT

Mission Statement

Breckenridge Independent School District strives at each level of learning to make a difference in the lives of all students by teaching through example the importance of working, enduring, and excelling to the best of one's potential. By this, our ability to inspire and motivate goes far beyond the classroom.

Vision and Philosophy

We believe that all children can learn. All children can learn if provided outstanding teaching and learning experiences that are meaningful, allow personal growth, and promote success in a positive environment. It is vital that students develop appropriate relationships with appropriate adults; therefore, we will continue to build a staff of highly qualified personnel by hiring the best in their field. We believe that educators must continue to grow through training and staff development opportunities to insure the highest levels of student learning.

We believe that all students have the potential for excellence. Children are our business. We are proud of our students and believe they have the potential for excellence. It is our job to maximize that potential. We understand the role that testing plays in the educational process. We are committed to providing instruction that will yield exemplary scores; however, we also believe that we should be providing experiences beyond the test that will allow our students to be successful wherever they choose to go when they pass through our doors into the world.

We believe it takes a partnership between school, home and the community to achieve an exemplary educational program. Teamwork is the key to success. We are committed to building a strong, positive relationship by including home and community in the planning and the development of policies and programs that will promote outstanding student achievement.

Breckenridge ISD is committed to the advancement of student growth and success while working with the community to improve the school and community. The Board / Superintendent adopted the following goals:

Create a place where the vast majority of students and staff wake up every single morning inspired to go to school, feel safe when they are there, and return home at the end of the day fulfilled by the work they are doing.

(Adopted from Simon Sinek's *Start with Why*)

- Working with community, business, staff and students, develop a ***learner profile***.
 - Determine the qualities, attributes, behaviors, skill sets, etc. we want our kids to possess.
 - Ensure that everything we do at BISD is leading to that end goal.
 - Create ways to make that goal visible in messaging and branding.
- Working with community, business, staff and students, develop a ***learning profile***.
 - Determine what makes up authentic learning.
 - Determine how kids learn best.
- Restructure organizational chart.
 - Realign roles and responsibilities.
 - Allow for better supports for staff and students.
- Implement ***teacher leader*** development program.
 - Recognize teacher leaders that choose to participate in specified professional growth.
 - Grow the number of teachers that use the developing learning profile.
- Increase ***socio-emotional supports*** for students.
 - Realign roles and responsibilities.
 - Add staff and/or programs specifically designed for this support.

BRECKENRIDGE I.S.D.

2020-2021

Long Range Goal I: Recruiting, Supporting, and Retaining Teachers and Principals

The district will improve educator pre-service and in-service training, and implement systems of continuous educator improvement, because teachers are the greatest asset in our school systems to improve student outcomes.

Long Range Goal II: Improving Transparency of District and Campus Academic and Financial Performance

The district will improve the transparency of school district, open-enrollment charter school and campus academic and financial performance ratings so that all stakeholders understand the strengths in their schools and school systems and can more effectively chart paths of improvement.

Long Range Goal III: Building A Foundation of Literacy and Numeracy

The district will ensure that our youngest students are capable of reading and doing mathematics at grade level by third grade because a strong foundation sets students on a path to academic success and helps prevent expensive taxpayer-funded remediation later in life.

Long Range Goal IV Improving Low-Performing Schools

The district will reduce the number of D or F rated campuses by half within five years of the launch of the state's A-F academic accountability system, because all students should have access to high-performing schools.

Long Range Goal V: Connecting High School to Career and College

The district will improve the career relevance of the high school experience for Texas students to ensure better direct access and success in the workforce in accordance with HB 5 (83rd Texas Legislature) initiatives and to improve performance of students as they transition to a post-secondary institution.

Long Range Goal VI: Using Taxpayer Resources Efficiently

The district will use its resources efficiently and effectively and encourage school districts and open enrollment charter schools to use limited taxpayer funding to improve student outcomes and accomplish legislative objectives.

Timeline to Complete Campus and District Improvement Plans

January	Schedule Campus Improvement Committee Meetings and District Improvement Meetings to develop campus and district improvement plans. Conduct needs assessments for campus and district improvement plans. Begin gathering campus and district data for writing the improvement plans.
February	Finalize District Special Education Comprehensive Analysis Process Plan and implement this plan into campus and district plans.
March	Monitor campus and district planning progress.
April/May	Write tentative updated Campus Improvement Plans and District Improvement Plan that will allow needs assessment surveys and Spring Student Testing Data to be incorporated into the plans when the test results are received in June.
June	Campus and District Improvement Committees finalized the Campus Plans and the BISD District Improvement Plan, which will include the needs assessment results and the Spring Student Test Data.
June	Board will adopt Goals
July / August	Board will approve District Improvement Plan

COMPREHENSIVE NEEDS ASSESSMENT
District
Summer 2020

The Breckenridge Independent School District Improvement Committee conducted a district-wide needs assessment to determine goals, strategies for improvement, formative/summative evaluation, and priorities for the 2020-2021 school year. The assessment considered the following information in determining the needs of the district.

- Disaggregation of Longitudinal TAPR data - including eight (8) different measures (STAAR performance, student attendance rate, dropout rate, percent taking end-course tests, percent of graduates taking advanced courses, percent of graduates taking the recommended course of study, percent of graduates passing the TASP, percent of graduates taking and scoring above the criterion on the ACT or SAT and CCMR).
- Disaggregation of the limited information from STAAR 3-8, STAAR/EOC scores by ethnicity, student subgroups, subject area Comparison of testing data from 2019. (STAAR, STAAR Alternative Assessments, TELPAS, MAP and Locally Developed Test)
- Federal and State Accountability (School Report Card)
- Campus Needs Assessments
- Local, State and Federal Financial Information
- Certification data of teachers and paraprofessionals

- Input and data collected from parent involvement planning and activities
- Information from special programs
- Data from CTE.
- Evaluation of student progress of special groups and subgroups (LEP, Special Ed, ethnic, economically disadvantaged as well as students in Pre-K – 2nd grade.
- District and Campus Needs Assessment Surveys
- Data and input from parent Involvement surveys as well as input and surveys from the students, community and teachers.
- District Demographics
- Review of the previous year's District Improvement Plan
- Advanced Academic Courses and Dual Credit courses offered through TSTC, Ranger College and Cisco College
- Collaboration with the Juvenile Justice System and local law enforcement.
- Eduphoria data
- Review how TEKS Resource System impacted instruction
- G/T Program
- SBDM Committees and Faculty input.
- Technology evaluations and recommendations.
- Annual articulation between campuses (Vertical planning and teaming) with regards to enrollment, staffing patterns, vertical planning for teaching the TEKS, updates in G.T., At-Risk Student needs, and Curriculum needs
- Staff development needs surveys and summer staff development evaluations
- Collaborating with Region XIV regarding the latest in Violence Prevention, Anger Management (TBSI), Crisis Prevention Intervention (CPI), Parental Involvement training, Conflict Resolution strategies, Certification for Paraprofessionals, ARD/Special Ed. Updates as well as subject area specific training.
- Utilizing the resources at Region XIV ESC to evaluate programs
- Monitor and analyze current data concerning drop-outs as related to sex, ethnicity, overage, special program status, extra-curricular participation, pregnant, or parenting students.
- Review district and campus enrollment trends and attendance rates, student and teacher retention data and rates
- Title programs evaluation reports
- Prior year budgets/entitlements and expenditures in relation to current year funding and priorities
- Security/Safety Audits and Reviews

We drew upon the district and campus planning committee members and our shared site-based decision making process. Included in the Needs Assessment were professional employee input as well as the concerns and priorities of parents, business leaders, and community members. We gathered information from a wide variety of sources for the needs assessment for our District Improvement Plan (DIP).

Summary of Findings

AREAS OF GREATEST CONCERN:

- School funding
- Staff salaries
- Turnover in personnel
- Certified applicants
- Outdated facilities
- Career, College and Military Readiness
- Enrollment
- At Risk students
- Delinquent taxes
- Parent engagement
- Increasing academic success and growth component for all students.

BUDGET AND FINANCE

- Have a balanced budget for 2020-2021.
- Evaluate staffing patterns to determine personnel needed to provide instruction in areas of need, especially reading.
- Analyze savings through the closing of North Elementary.
- Analyze spending in all areas.
- Funds for technology.
- Incentives for staff retention
- Enrollment has been positive this past year, but has stabilized. It will be necessary to work with the city / chamber to provide opportunity for business growth to encourage population to the area.

CURRICULUM, INSTRUCTION AND ASSESSMENT

- Better prepare graduates for post-secondary education or entry into college, the workforce, trade schools and/or military. Goal #5 addresses this issue.
- Provide research based staff development using Title I funds for school improvement.
- Hiring highly qualified personnel to fill vacancies.
- In 2020-2021, all students identified as English learners will have the option to be served in a classroom with a teacher ESL certified. The district continues to offer payment of the passed ESL certification test and offers sheltered instruction trainings for all staff members. The goal is for 100% of the teaching staff to have completed sheltered instruction strategy training.
- Provide supplies, materials and training for teachers serving students in special populations.
- Raise reading, writing and Social Studies/History scores to address Goal #2 which states that BISD will be highly competitive by outperforming regional districts, as well as performing above the state average on accountability ratings (STAAR).
- Funding to provide research-based programs to improve reading, writing and history.
- Continue Balanced Literacy and Handwriting Without Tears.
- Provide staff development on writing genres; 7 Mindsets; Eduphoria; The Fundamental Five; Research Based Strategies; and the RtI Process.
- Utilize MAP and Eduphoria data to help identify students who are in need of RTI interventions.
- Implement system wide RtI policy and procedure and utilize SuccessED for documentation.

- Provide staff development identified by the Staff Development Survey for summer in the following areas: Eduphoria; TEKS Resource System; STAAR, STAAR/EOC, Accommodations Training, Special Education training, G/T update, Dyslexia, Autism, Differentiation, ELAR, Writing, Science, Mathematics, Discipline Management, RTI, CPR, CPI, Concussion Training, Skyward, Sheltered Instruction for new staff, instructional strategies for sub-groups, technology and technology trouble shooting.
- Administrators will attend conference of their choice.
- Identify ELL, Economically Disadvantaged and homeless students who qualify for the Gifted and Talented Program.
- Update the ESL/Bilingual handbook for the District that includes state and local policy
- Address the needs of students identified as gifted / talented.
- Extended year for at risk students and students who do not meet the attendance requirement.
- Offer Saturday School/ Extended day that addresses student attendance and to raise graduation rate at the secondary level.
- Identify and provide services to students identified as homeless.
- Organize Professional Learning Communities.
- Data indicates a decline in the number of students reading on grade level. Academic vocabulary and fluency are below average.
- STAAR scores in writing, reading and social studies are below state average.
- Gaps in learning will need to be determined after the COVID closure of schools in 2019-2020. We will provide staff development, hire quality staff, and provide supplies and materials to close gaps.

STAFF QUALITY, RECRUITMENT AND RETENTION

- The district will offer incentives for teachers with ESL certification.
- Recruit high need teachers for 2020-2021 and continue to meet the CTE opportunities.
- Provide incentives and competitive pay for staff as permitted by funding and state requirements.

FAMILY AND COMMUNITY INVOLVEMENT

- One of the problems that BISD has identified district-wide is a lack of parent involvement. Parents from families with limited incomes and minorities are less likely to become involve with the school. There are areas where parent involvement is successful. These include Booster Clubs; Student Health Advisory Committees; Backpacks for Kids; Athletic groups. The goal is to provide opportunities to involve parents. Parent Academies and activities will be provided at the campus level to encourage and promote a “school family”.

- Provide Adult ESL classes and GED Classes. GED classes are offered through Open Door.
- Continue to offer a variety of other parent training opportunities. The district and campuses must find new ways to involve parents in training opportunities.
- Volunteers are needed to assist campuses in mentoring students, translating documents to Spanish.
- Continue to try and address the need for facilities.
- Send out parent surveys to gain parent and community input on school issues.
- Involve parents in assuring student attendance.
- More male volunteers for elementary campuses.

SCHOOL CULTURE AND CLIMATE

- Provide a positive environment district-wide for all students and employees.
- Develop and grow a growth mindset through the curriculum provided by 7 Mindsets.
- Develop and begin implementation of a district-wide plan focusing on student and campus safety regarding facilities.
- Raise the level of support from home and community for the school program.
- The district must continue to build community support and strive to pass facilities bond due to the extreme need to combine all three elementary schools. The district will need to continue drug testing. From surveys and the annual Safe Schools Report indicates that BISD is a safe place for student and for staff. However, within the community there is a growing drug problem and need to continue drug testing, canine screening, Red Ribbon Week awareness activities, student presentations against drug & alcohol are important in prevention.
- There is a need to annually update the Emergency Operation Plan. BISD has not had any incidence of violence or danger to schools. BISD hired Edward's Risk Management to conduct safety inspection. The district will complete a table top exercise and coordinate with local first responders.
- Consistent discipline! Implemented PBSI in grades K-8 to allow teachers to establish a disciplinary plan for each campus.
- Continue to address Bullying, investigate every reported case, involve parents, and assign consequences.

TECHNOLOGY

- Funding to provide the latest technology.

- Continue to increase the number of Chromebooks for students working toward 1:1.
- To provide Skype/Zoom for DAEP so that students could receive classroom instruction.
- Provide professional development to increase the implementation of technology in class.
- Update existing technology: computer labs, technology info-structure.
- Organize the web page so that documents are easily located and remain on the page with each update made with the web page.
- Require web pages to be updated regularly. Teacher web pages could include assignments, syllabuses, parent information, class announcements and schedules.

**BRECKENRIDGE INDEPENDENT SCHOOL DISTRICT
DISTRICT IMPROVEMENT PLAN
2020-2021**

MISSION STATEMENT:

Breckenridge Independent School District strives at each level of learning to make a difference in the lives of all students by teaching through example the importance of working, enduring, and excelling to the best of one's potential. By this, our ability to inspire and motivate goes far beyond the classroom.

Goal 1:

Attract, train, and highly qualified staff that can meet the needs of a diverse student population.

Performance Objective: 1.1 Breckenridge Independent School District will improve educator pre-service and in-service training, and implement systems of continuous educator improvement, because teachers are the greatest asset in our school systems to improve student outcomes.

Key Strategic Measures:

- 1.1 Employee satisfaction survey
- 1.2 Employee turnover rate
- 1.3 Level of implementation of professional development strategies
- 1.4 Level of satisfaction regarding professional development
- 1.5 Salary market comparisons
- 1.6 Employee attendance

Implementation: Strategies/Activities/Initiatives	Timeline	Staff Responsible	Resources/ Allocation	Formative Evaluation
Maintain district policy on recruiting and retaining highly qualified personnel. Contracts will include information on time lines for certifications is necessary.	2020-2021	Superintendent; Board of Trustees; Chief Learning Officer	None needed	BISD recruiting and retention policy.
Attend job fairs to recruit qualified teachers, administrators and other staff.	2020-2021	Chief Learning Officer; Principals	Local Funds (\$350.00)	Hire qualified personnel. Documentation of PO's for job fairs. Review the data on how many teachers are recruited from job fairs.
Utilize the Region 14 and other alternative certification programs for hiring highly qualified teachers. Post openings on Region 14 web-site and TASA web-site.	2020-2021	Chief Learning Officer, Principals	Region 14 Local funds	Hire and retain qualified personnel.
All professional staff maintains their certification by attaining CPE hours and renewing certificates.	As needed	Chief Learning Officer, Campus Administrator, Teacher	SBEC Region 14	Certificates and spreadsheet kept by the Superintendent's secretary.
Provide money for TExES exams passed to those teachers who are required to obtain further certification.	August 2020-May 2021 on designated test dates	Superintendent, Chief Learning Officer Business Manager	Title II A funds \$1500.00	More efficient staffing patterns and class sizes

Through the District of Innovation, the district will be able to fill CTE positions with professionals from the work force.	2020-2021	Superintendent Chief Learning Officer High School Principal	Local Funds (Salary)	Number / diversity of CTE classes offered.
BISD will submit a Staff Development waiver to allow three more days of staff development during the year. Teachers will be required to attend 18 hours of staff development in the summer.	Summer 2021	Chief Learning Officer; Director of Special Education; Campus Principals	Region 14 personnel; Staff Development Survey; Title II A (\$1000.00); Title I (\$3000.00) Local Funds	Certificates of staff development attendance.
Professional personnel will attend training on research-based strategies and teaching techniques for their area of instruction, needs of special needs students and discipline management.	2020-2021	Principals; Directors and Teachers	Region 14; Conferences; Title II A (\$20,000) Title I (\$10,000) Local Funds	Certificates; sign-in sheets and surveys to determine needs and effectiveness
Require technology training for teachers provided locally, through Region 14, TCEA Conference and other training resources. Encourage Google Certifications on each campus.	August 2020 to May 2021	Teachers, Administrators, Region 14, Technology Director, Chief Learning Officer	Local Funds Title II A (\$3500.00) Title I (750.00)	Fewer teachers needing training in basic computer skills and able to perform at higher levels using technology.
Use professional book studies as a means of staff training. Book studies can develop the team concept and keep abreast of new trends and valued applications in education and leadership.	Fall and Spring 2020-2021	Chief Learning Officer, Administrative staff Teacher Leaders	Local Funds (\$1000.00) Title IIA (3800.00)	Greater participation in teambuilding activities such as book club / PLC.
Para-professionals will be highly qualified. HQ with Associates Degree, pass a test approved by the district or attend Paraprofessional Academy	September 2020 and January, 2021	Chief Learning Officer Campus Administrator	ESC 14 Local Funds (\$500.00)	Paraprofessional staff is highly qualified

--	--	--	--	--

Teachers review the code of ethics and accept responsibilities to the district, students, parents, and community.	Teacher In-service – August 2020	Superintendent Campus Administrators	Copy of Educator Code of Ethics	Sign-in sheets and agendas
Involve teachers in evaluation of programs and teaching excellence.	Weekly	Campus Administrators Directors of Learning	Time scheduled for classroom visits, Best Practices Criteria	Walk-through documentation Eduphoria documentation
Provide mentor coaches for new teachers and those new to the district.	Assigned in August and work throughout the year	Campus Administrators and teacher coaches, Directors of Learning	Local Funds (\$100.00) Partnership with alternative certification programs	New teachers become highly affective more quickly. Fewer teachers leaving the district.
Administrators and teachers are encouraged to join professional organizations and prescribe to professional materials as well as book studies stay abreast of new trends and ideas.	As applicable	Central Office Administration	Local staff development based on needs assessment Region 14 Colleges and Universities Professional Conferences	Discussion of new ideas and trends shared in staff and other meetings
BISD will offer stipends for high needs areas such as mathematics, science, CTE , ESL, and coaching positions.	2020-2021	Superintendent and Payroll Coordinator	Local funds	Attract and hire HQ personnel. Documented through applications
BISD will pay a portion of the cost for insurance	2020-2021	Business Manager and Payroll Coordinator	Local and State funds	Attract and hire HQ personnel. Documented through applications
Administrators and teachers will receive salary bonuses for advanced degrees.	As approved	Superintendent Chief Learning Officer Business Manager	Local funds	Advanced certification documentation of hours from colleges and universities.
Provide high quality staff development in areas identified through a needs assessment survey	July 2020-June 2021	Chief Learning Officer, Directors of Instruction	ESC 14 Workshops Title I (\$500.00) Title II funds (\$500.00)	Improved classroom instruction.

		and campus administrators		
--	--	---------------------------	--	--

Involve parents and community members in school through mentor programs, volunteer programs, PTO, parent/community involvement activities, Booster Clubs, School Events, Coronation, SBDM, SHAC, committees and advisory committees.	August 2020 to May 2021	Principals and Teachers	Local Funds and Volunteers throughout the community	PTA/PTO Surveys, Mentoring Surveys and Program evaluation, minutes of meetings, evaluations, documented recommendations and activity opportunities provided by BISD.
Involve parents in the development of District and Campus Parent Involvement Policies, District and Campus Improvement Plans and Campus Parent Compacts.	2020 - 2021	Superintendent Director of Instruction Campus Administrators	Title I funds (\$300.00)	More involvement. Agendas, sign-in sheets and evaluation forms.
Involve committees in the ongoing identification of District needs. Committees form action teams responsible for planning and implementing changes. An example is the community committee that identified the need for new facilities at BISD. This continues to be the greatest need for this district.	2020-2021	Superintendent;	Local funds	Agendas, sign-in sheets, long range plan.

Goal 2—Improving Transparency of District and Campus Academic and Financial Performance

Breckenridge Independent School District will improve the transparency of school district, open-enrollment charter school and campus academic and financial performance ratings so that all stakeholders understand the strengths in their schools and school systems and can more effectively chart paths of improvement.

Key Strategic Measures

- 2.1 Fund Balance**
- 2.2 Funding from outside sources**
- 2.3 Audit report**
- 2.4 School First Rating**
- 2.5 Facility Assessment**
- 2.6 Academic Ratings**
- 2.7 Accountability System Reports**

Implementation: Strategies/Activities/Initiatives	Timeline	Staff Responsible	Resources /Allocations	Formative Evaluation
Guidelines for state and federal programs will be applied appropriately. Applications and compliance reporting will be completed in a timely fashion.	2020-2021	Superintendent Chief Learning Officer Director of Special Ed.	TEA Region 14	NOGA’s received Compliance verified through egrants on TEA website
Pay salaries of Title I ELAR and math teachers / Paraprofessionals at the elementary school-wide campuses. Teachers/Para’s will sign job descriptions each semester and acknowledge that they are paid with Title I funds	Fall and Spring 2020-2021	Chief Learning Officer	None	Signed job descriptions
The district will abide by the non-discrimination law. Notice will	July 2020-2021	Chief Learning Officer Website Coordinator	Local Newspaper Local Funding (199)	Newspaper clipping and website

be published in the local newspaper and on the BISD website.				
Provide Board Budget Workshops	July-August 2020	Board of Trustees Superintendent District CFO Principals Directors	Local Funds	Set a yearly budget. Improvements to campus facilities, new construction, repairs, completion reports, and monthly board meetings.
Stay abreast of financial trends at the local, state, and federal levels	2020-2021	Superintendents Administrators	TASB Legislative Reports Texas ISD Other financial sites	Report to the board during public meeting held monthly.
Provide student and parent the Student Code of Conduct and Campus Handbooks through our web-site. Paper copies will be made available upon request.	August 2020 through June 2021	Campus Administration; Chief Learning Officer	Local Funds	Documentation of parent conferences and discipline referrals
Involve parents in Due Process Hearings and Transition Meetings in the event of DAEP placement	2020-2021	Campus Principals and DAEP / ALC Director	None necessary	Signatures on DAEP forms.
Provide an open line of communication between parents, administrators, and teacher. Oral and written communications in both Spanish and English as appropriate (examples: grade reports, report cards, State Assessment results, staff information as appropriate, parent-teacher conferences, open house, newsletters and other parent involvement activities).	August 2020 to May 2021	Teachers, Principals, Superintendent, Counselors, and Chief Learning Officer	Local Funds	Open House, copies of 3-week reports, and signed report cards, documented parent conferences.
Campus Open House and Parent Conference Days are offered as a means of communicating with	September & Oct. 2020	Teachers and Staff and Principals	Parents, Relatives, friends, local business	Sign in Sheets from Open House. District calendar.

parents concerning campus rules, student needs, teacher/parent roles, etc.			and community members; Local Funds	
--	--	--	---------------------------------------	--

Goal 3: - Building A Foundation of Literacy and Numeracy

Breckenridge ISD will ensure that our youngest students are capable of reading and doing mathematics at grade level by third grade because a strong foundation sets students on a path to academic success and helps prevent expensive taxpayer-funded remediation later in life.

Key Strategic Measures:

- 1.1 State and local assessment performance
- 1.2 High School completion rate
- 1.3 Attendance rates
- 1.4 Students on grade level in math and ELA at the end of 3rd grade
- 1.5 Increase student growth in math and ELA for all students by a minimum of 1 year.

Implementation: Strategies/Activities/Initiatives	Timeline	Staff Responsible	Resources/	Allocation	Formative Evaluation
Differentiated, small group instruction will be utilized in elementary classrooms to increase 3 rd grade STAAR reading scores from 73% to 75%. (ESSA GOAL carryover due to 2020 COVID closure)	2020-2021	Classroom reading teachers Principals Reading Coaches Director of Elementary Learning Chief Learning Officer	Title I Funds (\$15,000)	Money for leveled readers at each campus. Professional Development	Formative Assessments every 2 weeks to check fluency rates and MAP (universal screener) 3 times a year.
Conduct meetings to develop, review and/or revise the District/Campus Title I Parent Involvement Policy and Parent Compact.	Fall – Campus Spring - District	Chief Learning Officer and Elementary Principals	Local funds	Documentation: sign-in sheets, agendas, minutes, notification in the newspaper and elementary handbooks	Fluency checks bi-monthly Reading level data MAP Data Benchmark data STAAR Scores
Prepare students for local, State and national assessments. STAAR 3-8, STAAR/EOC 9-10, Six Weeks Test; SATs, ACTs	Daily, Weekly Annually, Identified yearly – August 2020 to May 2021	Site-based committee, administrators, and teachers on each campus Parents	Administrators, ESC, Computer labs, Reading and Math Coaches, Pre-Post testing Evaluations, Benchmark test, Accelerated Reading/Math, Blooms	Funding: Local/Title I / SCE	STAAR /EOC results MAP Data Benchmark Data Data gathered from Eduphoria

			Taxon./COSTA, STAAR information TAPR		
Provide a focused, viable, and aligned curriculum.	August 2020-May 2021	District and campus administrators, lead teachers, Reading and Math Coaches, Directors of Learning	TEKS Resource System	IMA Funds	STAAR and STAAR/EOC scores; Federal and State Report Cards; Academic Distinctions; Benchmark scores; Sign in sheets, agendas and/or minutes on Staff Development, Administrative meetings, staff meetings. TTESS evaluations.
Increase rigor and student engagement to ensure achievement for all students.	August 2020– May 2021	Superintendent , Chief Learning Officer, Directors of Instruction principals, assistant principals	Walk Through forms in Eduphoria; TTESS	Local Funds Federal Programs	Measured instruction for more focused lessons with varied activities will be documented in lesson plans Higher level thinking and the evidence of grade level TEKS being taught. Walkthrough / Observations for TTESS
Transform instruction and learning by connecting students to the global community through technology.	July 2020 – June 2021	Superintendent, ESC 14, Administrators Teachers	Increased infrastructure throughout the district.	Funding: Local	Walkthroughs/Observations for TTESS Lesson Plans Increased use of technology in the classroom.
Continue training in “Balanced Literacy and Math Workstations in Elementary.	August 2020- July 2021	Director of Instruction Campus principals Reading Coaches Math Coaches Chief Learning Officer	McGraw-Hill ELAR Resource, Math Resources	Funding: Local/ Title I (\$10,000) and IMA Funding	Teachers will provide instruction through work stations and continue to perfect the use of balanced literacy. Observation of work stations will be through random walk through and formal evaluations.

Teachers K-3 and principals will attend Reading Academies.	July, 2020	Superintendent, Chief Learning Officer, and Principals	ESC 14	Title I Funds (\$72,000)	Registration and passed course.
Provide Reading and Math support for students in Tier II.	August – May 2020-2021	Principals Reading Coaches Math Coaches Director of Instruction Chief Learning Officer	Researched based resources and strategies	Funding: Title I (\$225,000)	Lowest students will show increased academic growth according to pre and post data collection and documented in SuccessED
Use of literature based phonics, and mastery of decoding and comprehension skills will be provided by multidisciplinary approaches to learning with aid of computer software	August 2020 to May 2021	Teachers, Administrators, Technology teachers, Reading Coaches Contracted Services personnel Director of Learning Chief Learning Officer	K-4 Really Great Reading K-8 McGraw-Hill and TEKS Resource System	Funding: Title I (\$5000.00) IMA Funding (8 year beginning 2019-2020)	MAP Results, STAAR and STAAR/EOC results, improved student performance on all Assessments. Students will be reading on grade level by 3 rd grade.
Continue Handwriting Without Tears in grades K-5 and implement Keyboarding Without Tears	August 2020	Principals Teachers	Local Funding	IMA Funding (8 year 2019-2020) 39,512.00	Increase scores in writing and provide the students the skill for cursive writing.
Provide training for Handwriting Without Tears and Keyboarding Without Tears.	Fall, 2020	Principals Teachers	None needed	Training will be provided by the company.	Instruction will align with the intent of the program which will increase student success.
Utilize TEKS Resource System to teach TEKS using the Scope & Sequence, IFD, and other documents to address TEKS to depth and complexity necessary for maximum learning.	August 2020 to May 2021	All Staff members (Teachers and Administrators)	TEKS Resource System; Region 14 contracted services	Local Funds	Student grades, benchmark test, State Assessment results. Teacher lesson plans. TTESS evaluations.

Utilize Eduphoria to gather data and create test banks to benchmark.	August 2020 – May 2021	All staff	ESC 14 contracted services	Funding: Local	Quality data for meeting student needs and drive instructional changes
Apply for a waiver to use Eduphoria as Teacher Data Portal of TX Assessment Mgmt. System.	2020-2021 2021-2022 2022-2023	Superintendent, Chief Learning Officer, Board of Trustees, and SBDC	TEA	None	Current data for administrators, teachers, and students.
Develop Professional Learning Communities.	Ongoing 2020-2021	All teachers K-12, Campus Principal, Directors of Instruction Chief Learning Officer	ESC 14 Training	Funding: Local / Title I (\$1000.00) Title II A (1000.00)	Innovative teaching, Higher scores, higher student achievement
Elementary (K-6) – 90 minutes for reading/language arts and math when possible; 45 minutes for science and 35-45 minutes for social studies. HS and JH will go to a 8 period day for longer class periods.	August 2020	Principals; counselor; teachers	Master Schedules	Funding: Local	Master Schedules will reflect it. Improved scores in core subjects.
Frequent and rigorous evaluation – Formative testing throughout the year to measure student progress	August 2020 May 2021	Principals, Directors of Instruction, Chief Learning Officer	ESC 14 Eduphoria MAP	Local	Daily, weekly, three week reports, six weeks testing & benchmarks to determine student progress. The data will drive instruction.
Provide outside tutoring as needed for students who are identified homeless	2020-2021	Homeless Liaison, Counselors, secretaries, teachers	Retired Teachers, Mentors	Title I funds for school-wide campuses, Title I set-aside for non-Title I campuses, McKinney Vento funds (\$500.00)	Increased graduation rates for homeless student, higher test scores, more students who have the opportunity to enter college or technical school.

Credit by Exam will be utilized to provide data on students entering the school district from private or home school situations according to Board Policy. Credit by Exam will also be used for Accelerated Testing as needed.	2020-2021	Principals/ Counselors	Released STAAR Test	State and Local funding;	Students from instructional institutions other than Public schools will excel with their appropriate grade level instruction.
Increase scores in the Performance Indices: Student Achievement, Student Progress, Closing the Performance Gaps, Postsecondary Readiness .	2020-2021	Superintendent, Chief Learning Officer, Directors of Instruction, Director of Special Education, Administrators, Teachers, Parents	Staff Development; ESC14; State Conferences; TEKS Resource System; Eduphoria, etc.	State and Local Funding	Meet the goals for each index.

GOAL 4: Improving Low-Performing Schools

Breckenridge ISD will reduce the number of D or F rated campuses by half within five years of the launch of the state’s A–F academic accountability system, because all students should have access to high-performing schools.

Key Strategic Measures:

Students identified in a sub pop will continue to show growth and work on grade level.

Decreased drop outs through student completion through the Accelerate Learning Center.

Special Education students will increase scores and demonstrate growth as determined through ARD committee.

Implementation: Strategies/Activities/Initiatives	Timeline	Staff Responsible	Resources/ Allocation	Formative Evaluation
--	-----------------	------------------------------	----------------------------------	-----------------------------

Special Ed., Subgroups (Hispanic, LEP), Economically Disadvantaged, PRI, G/T, ELL populations will be monitored closely and needs addressed vigorously	Ongoing	Superintendent, Principals, Teachers, Directors of Instruction Chief Learning Officer		State Comp Ed funds, Title I funds and local funds	STAAR and STAAR/EOC performance.
Utilize research-based programs to improve reading such as... <ul style="list-style-type: none"> ● Study Island ● MAP ● Balanced Literacy ● Fountas & Pinnell ● Really Great Reading ● High Interest Books ● Read Across America ● Read-Ins ● Marzano's Academic Vocabulary 	2020-2021	Campus Principal Reading Coaches Reading Aides Directors of Learning Chief Learning Officer		Title I (\$10,000) SCE, local funds	Improved scores of individual students on local benchmarks, STAAR assessments.
Utilize data to determine instruction and instructional strategies through Eduphoria "Heat Maps" to determine areas of need.	2020-2021	Chief Learning Officer Principals Directors of Learning		Title I	Teachers will be able to utilize data to drive instruction. Lesson Plans will reflect that instruction will be driven from data.
Teachers shall receive training in sheltered instruction.	2020-2021 All Teachers not trained	Chief Learning Officer; Principals; Teachers; Region 14 Consultants	ESC 14 – August 6	Title II A (\$400.00)	Teachers receive training have certifications on file.
Evaluate programs annually for effectiveness.	Spring 2021	Principals and Chief Learning Officer, Teachers	Program Evaluation Document		Evaluation documentation on program effectiveness.
Identify At-Risk students. Provide academic help, social and emotional help as needed for students.	2020-2021	Principals, Counselors, Communities in Schools Success Coach	TEA documentation	SCE funds; Title I (\$10,000) Foundation al Funds	Increased graduation rate for At-Risk students and overall academic success.

Identify students at risk of drop out and offer accelerated graduation through the Accelerated Learning Center.	2020-2021	High School Principal, Assistant Principal, counselor, Accelerated Learning Center Principal	SCE funds, Local Funds	Decreased drop out and increase of graduation for At Risk students
Teachers will collaborate in developing student assessments, planning lessons and disaggregating results from all assessments in order to develop hot list and identifying lower quartile TEKS. Use this information to re-teach and/or remediate.	2020-2021	Campus Principals and Teachers	Eduphoria & TEKS Resource System; Local funds use to provide both programs SuccessED Documentation	Hot List; Assessments; Scores; Meeting notifications; Sign-in sheets
BISD Special Education Department will provide services to students identified to increase academic performance and provide for the student's special needs	2020-2021	Special Ed. Director; Special Ed. Personnel; Principals; Teachers	State and Federal Special Ed. funding	Yearly evaluation of the program; Presentations to the Board of Trustees as noted in Board minutes.
Provide training for Special Education personnel, general education personnel and parents of special education students on SE issues	Ongoing	Director of Special Education; Directors of Instruction; SE teachers;	Special Education funding; State and local funding	Certificates; Agendas; sign-in sheets
Special Ed. Director will conduct Special Ed. meetings for Special Ed. and General Ed. teachers at the campus level.	August, 2020 and as needed	Special Ed. Director; Special Ed. Teachers; General Ed. Teachers; Campus Principal	Special Education Funds	Raised level of instruction as seen through higher grades, test scores, and commended performance acknowledgements. Increase success for students with special needs.
Prepare Special Education students for STAAR-ALT, STAAR and STAAR/EOC through pullout, inclusion, and mainstreaming in large and small groups and individual instruction.	2020-2021	Teachers, Parents, Students, ARD committees, Director of Instruction, Aide/Substitute training, Campus	STAAR Training; TETN on accommodations, Special Ed. Director, Mentors, Diagnosticians, Parents, Special Ed. and SCE funds.	State Assessment results, benchmark results, observation and daily assessment.

		committee, ESC 14 consultants		
Identify and implement RTI, Tier I and Tier II, interventions at every campus.	2020-2021	Principals; RTI Committee	SCE Funds; local funds; Title I funds (\$10,000); Campus RTI committee minutes SuccessEd	Number of students identified and served. Results of RTI interventions. Fewer students recommended for Special Ed. services. SuccessED Documentation
Utilize MAP (universal screener) to identify students in need of RTI interventions.	September 2020– May 2021	Director of Instruction; Director of Special Education; Principals	Local and State funds Title I Funds (\$5,000)	Documentation students identified. Minutes of RTI Committee meetings and recommendations
Parents will be involved in training for teachers on the importance of parent involvement.	Fall semester	Principal	Title I, Part A funds (\$500.00); Presentation materials from ESC 14	Sign-in sheets, agendas, summaries, minutes, and programs
Scottish Rite dyslexia program offered in grades 1-12	2020-2021	Principal; Director of Instruction;	SCE funding; Local funds Title IV	Improved grades and higher scores on the state assessment. Lower numbers of dyslexia students in the upper grade levels by identifying earlier and completing program in 2 to 3 years.
Offering all allowable services as needed to students identified as homeless	2020-2021	Homeless Liaison; Counselors; Principals; Nurses	McKinney Vento; Title I, Part A for school-wide campuses and Title I set aside for non-Title I campus (\$500.00)	McKinney Vento Data documentation. Student scores on report cards and STAAR and STAAR/EOC testing
Identify homeless students and provide nutrition, clothing, school supplies, some medical, tutors as needed above tutoring offered to all students on campus	2020-2021	Homeless Liaison, Counselors, Principals, Teachers	McKinney-Vento funds; Title I, Part A for school-wide campuses; Title I set-aside for non-Title I campuses (500.00)	Reduced homeless failure rates. Correspondence; receipts; Schedules; Documentation on grades and assessment scores
Accelerated instruction will be offered to those students who have gaps due to COVID closure.	2020-2021	Principals and Teachers	Local funds, SCE funds Odyssey Program	High Graduation rates; Student tracking documentation.
Offer an Extended Year Program for students who are failing, in	Summer 2021	Chief Learning Officer; Campus Principals	Title V funds (\$30,000)	Reduced failing rates and success on state assessment.

jeopardy of failing, have failed one or more parts of the STAAR 3-8, or are not in compliance with the compulsory attendance laws				
Special Education students may be required to attend extended year program to address identified performance gaps in reading and math.	Summer 2021	Director of Special Education Campus Principals, Teachers	Special Ed Funds	Improve Reading and Math scores for Special Ed. Students.
Students identified as Gifted and Talented will meet with other identified students at least every 6 weeks.	June 2020-May 2021	Chief Learning Officer; Principal; Teachers Chief Learning Officer	Local Funds	Higher commended performance percentages.
Implementation: Strategies/Activities/Initiatives	Timeline	Staff Responsible	Resources/ Allocation	Formative Evaluation
All LEP students will be served by a certified ESL teacher in ELAR and the district will continue to strive to have all teachers certified in ESL	August 2020-May 2021	ESL Coordinator; ESL teachers; Campus principals	Local funds; ESL funds	Students will show continued improvement and will graduated high school.
Provide LPAC training and conduct LPAC meetings to keep all stakeholders aware of student progress.	BOY / MOY/EOY	ESL Coordinator; ESL teachers; principals; Chief Learning Officer	Local Funds	Increased parent involvement. Sign-sheets; minutes; agendas
Attendance meetings PreK-12 to involve parents in truancy and absenteeism issues	October 2020-May 2021	Principals/Assistant Principals	Local funds	Fewer absences and higher academic achievement.
Provide Saturday School and extended day for students with attendance issues.	October 2020- May 2021	HS and JH Principal	Local Funds	Improved attendance, higher grades, increasing student success.
Parent Conference Day will be used to inform parents of academic difficulties and how the home, school and student can address those issues.	September 30, 2020	Principals and teachers	Local funds	Fewer students retain for academic issues and attendance.

Continue to use technology Extensively in the core curriculum at all levels. Update and add new technology with appropriate training as needed and when funds are available.	August 2020-May 2021	Parents, teachers, administrators, counselors, tech coordinator and Chief Learning Officer	TEKS; Curriculum and guidelines, State Technology funds; Title II, Part D, Local funds	Advance students' computer application skills as evidenced through products and presentations.
Provide staff development to insure that all teachers and paraprofessionals demonstrate mastery of technology skills needed for the classroom.	Summer 2021	Directors of Instruction Chief Learning Officer Technology Director Teacher Leaders	Local Funds	Required reports; certificates; sign-in sheets; evaluations;
Utilize Distant Learning technologies to provide Administrative/Teacher training as well as student DL Courses.	2020-2021	Director of Technology Principals	Technology funds	Documented programming and sign-in sheets; Certificates.
Chosen ELAR and Math teachers from each campus along with the Technology Director will attend the technology conference	February, 2021	Technology Director Campus Administrators Business Manager	Title II, Part A funds;	List of participants and a review of the conference. Documentation of attendance.
Campus staff members will serve as technology contacts for staff	2020-2021	Director of Technology; Principals	Not funded	Teacher request addressed by campus technology staff member.
BISD will contract with LEAD4WARD for support in analyzing data to improve student outcome in the accountability system.	2020-2021	Chief Learning Officer Principals	Title I (28,000)	Sign In Sheets
BISD will offer summer school if they fail to pass the state assessment at 5 th and 8 th grade, fail course work or if they are in violation of the Attendance statute.	Summer 2021	Principals; teachers; Chief Learning Officer	Title V funds	Grades and attendance reports.

GOAL 5. Connecting High School to Career and College

Performance Objective: Breckenridge ISD will improve the career relevance of the high school experience for Texas students to ensure better direct access and success in the workforce in accordance with HB 5 (83rd Texas Legislature) initiatives and to improve performance of students as they transition to a post-secondary institution.

Implementation: Strategies/Activities/Initiatives	Timeline	Staff Responsible	Resources/ Allocation	Formative Evaluation
CTE, AP, and Dual Credit Programs are available to all students and special pops nor matter of race, ability, sex, or gender.	2020-2021	HS Principal, Career Counselor, CTE and Special Ed Teachers, AP Teachers, Regular Ed Teachers; Parents	Perkins Grant (13,000) and Local & State funds, Scholarships; Cisco College; Ranger College, TSTC	More special pops involved in CTE. Increasing numbers of students that go on higher ed.
Work Study Program through CTE for regular ed. and mainstreamed students.	Sept 2020 – May 2021	Principals and CTE teachers	Perkins; Special Ed. funds; Community resources	Successful transitions from school to the workplace; teacher documentation; employer documentation. Lower the dropout rate and raise the completion rate
Provide pregnancy related services through the BOLA Lab, students who qualify to be homebound, per doctor’s orders, with a teacher provided.	As needed	HS Principal Teacher Accelerated Program Director	SCE Funds; Technology funds	Higher completion rate when compared to previous years.
The Odyssey Program will be used for credit recovery and remediation as well as for PRI academics.	2020-2021	Academic Counselor; Principal; Parent; Teacher	Local Funds; SCE funds; Technology funds; Odyssey Program;	Decrease the drop-out rate, increase the completion rate and graduation rate. Increase the number of students who move to post-secondary educational setting or enroll in a trade school. Raise student achievement.
Inform and involve parents in the development of CTE, AP, Dual	Dates of meetings to	Principals; counselors; teachers;	Perkins; Local, Title V	Increased student participation in programs.

Credit courses and Extended Year program.	be announced Aug – May			
Wait Training will be provided at the HS to inform students and help prevent teen pregnancy.	2020-2021	Chief Learning Officer; HS Principal; Counselor; School Nurse.	Local funds; Open Door	Decrease in number of teen pregnancy on secondary campuses.
Students assigned to the Disciplinary Alternative Education program will have access to credit recovery.	Aug 2020 – May 2021	DAEP Principal and Teachers assigned to DAEP	Compensatory Ed Funds	More disciplinary students will complete the high school program.
Inform students and parents and when possible, involve them in the development and identification of the needs of dual credit and AP courses.	August 2020 and in May at the orientation 2021	High School Principal, Counselor, Testing Coordinator	TSTC Ranger College Cisco College	Agendas, sign-in sheets and minutes of meetings.
Be actively engaged in investigating reports of bullying, assigning	On-going 2020-2021	Principals, Students, Teachers,	Local funds; ESC 14; StayAlert Reporting	Fewer bullying incidents; Agendas; sign-in sheets; certificates; discipline logs; DAEP

consequences according to the Code of Conduct and provide training and programs focused on preventing bullying.		Superintendent, Board of Trustees, Directors	System provided by Edwards Risk Management, 7 Mindsets	documentation; Due Process documentation; Placement Order; PEIMS documentation.	
Conduct random drug testing and canine scans followed by parent conferences and counseling for those who have been identified.	6 times each year for canine scans. Random drug testing will be monthly.	Principal; Vice Principal; Secretaries; Counselor; Chief Learning Officer	Southwest Consortium; Canine Company; Local funds (5000.00)	Decrease in drug use and those identified through random testing program. Increase in the number of students completing counseling. Increases in the number of students participating in UIL events.	
Identify At-Risk, Homeless, drop outs through Child Find program as well as struggling students for quick intervention.	August 2020 to May 2021	Principals, Teachers, Diagnosticians, Special Ed. Teachers, parents, and ARD Committees	Title I funds (500.00), Local funds	Student performance rates to meet increasing standard. Increase enrollment. Higher percentages on the Performance Index Indicators: Student Achievement; Student Progress; Closing Performance Gaps and Postsecondary Readiness for these groups.	
Secondary campuses will participate in Career Day activities. Parents will be encouraged to talk to their student about careers and attend the event. To promote post-secondary education, military and workforce	2020-2021	Chief Learning Officer; Principals; Teachers	State and community organizations, colleges and universities; technical schools and trade schools	Number of students participating in the event; Number of presenters; Newspaper coverage. More of our graduates tracked to post-secondary educational institutions.	
Offer courses that will better prepare graduates for post-secondary education or entry into the workforce.	August 2020 through May 2021	Chief Learning Officer, Secondary Principals; Counselor; Parents; students	TSTC; Cisco College; Ranger College	Local funding Perkins Grant \$13,000	Student Pathways; Schedules; enrollment information.

GOAL 6 Using Taxpayer Resources Efficiently

Performance Objective: Breckenridge ISD will use its resources efficiently and effectively and encourage school districts and open enrollment charter schools to use limited taxpayer funding to improve student outcomes and accomplish legislative objectives.

Key Strategic Measures:

- 6.1 Fund balance
- 6.2 Funding from outside sources
- 6.3 Audit report
- 6.4 School First Rating
- 6.5 Facility Assessment

Implementation: Strategies/Activities/Initiatives	Timeline	Staff Responsible	Resources/ Allocation	Formative Evaluation
Financial investments are maximized to produce the highest return while maintaining minimal risk for the district.	August 2020-May 2021	Superintendent CFO	None	Monthly board reports First Rating
Utilize community resources to extend support to at risk students.	2020-2021	Superintendent	Local funds and Financial support from the Mike and Mary Terry Foundation	Monthly report from Success Coach through Communities in Schools.
Campuses will host an Open House	August 2020	Principals; Teachers	Local funds	Sign-in sheets will be evidence of parent participation/
Conduct Title I parent meetings to inform parents, provide them the opportunity for input in the program and seek input use of funds.	Fall 2020	Chief Learning Officer and Elementary Principals	Title I Funds	Documentation: sign-in sheets, agendas, minutes, notification in the newspaper
Involve parents in decisions for meeting accountability and changes in the District Improvement Plan.	October 2020	Superintendent; Chief Learning Officer	Local funds	Increase in student success and an informed community.
Technology Coordinator will maintain district infrastructure for advancing technologies	2020-2021	Director of Technology	State Technology funds, Local funds	PO's and Help Desk Log

The comprehensive needs assessment will identify areas of need that will affect the budget.	Spring 2021	Superintendent; Chief Learning Officer	Local funding	Identified needs for the upcoming year.
Departmental meetings with Principals to determine individual campus and student needs as reflected in the comprehensive needs assessment.	2020-2021	Principals, Dept. Chair, and grade level staff members	Allotment of time for meetings and help from Admin. Bus. Mgr, and Staff Local Funds	Budget Projection for the next school year.
Principals and directors review and prioritize campus and dept. budget.	April 2021	Campus Administrators and Staff and Directors	Campus Plans, Local, State and Federal Revenue Information	Campus and Departmental Budgets submitted to Business Mgr.
Provide Board Budget Workshops	July – August 2020	Board of Trustees, Superintendent, Business Manager, Campus Principals and program support directors	None needed	Set a yearly budget. Improvements to campus facilities, new construction, repairs and completion reports.
Complete the budget process by reviewing submitted budgets, meet with campus principals and directors to adjust budgets	April 2020 to September 2021	Superintendent, Administrators and Directors	Campus/Department meetings/ Budget Request	Budgets are approved.
Superintendent reviews district budgets. Adopt and approve budget for new school year	May 2020 – August 2020	Superintendent and CFO	Campus/Departmental Meetings/ Budget Request	Approved district budget.

Stay abreast of financial trends at the local, state, and federal levels	2020-2021	Superintendent; Administrators	TASB; Legislative Reports; News; Texas ISD and other Education/Financial sites	Be prepared to meet financial needs.
BISD will join an SSA with ESC 14 for the Title III, Perkins Grant; and Title II A funds for Staff Development.	2020-2021	Superintendent; Director of Federal Programs; ESC14	NCLB Funds (Title I, & Title II) Perkins Funds	Appropriate use of funds and program efficiency by utilizing the resources available through the service center.
Guidelines for state and federal programs will be applied appropriately. Applications and compliance reporting will be completed in a timely fashion.	2020-2021	Chief Learning Officer ; Superintendent	TEA; Region 14	Deadlines for application and compliance are met.

GOAL 7. Breckenridge ISD will provide a safe, orderly and nurturing environment that promotes outstanding academic achievement, increases attendance, reduces the number of dropouts, and supports healthy bodies and healthy minds.

MEASURABLE PERFORMANCE OBJECTIVES:

2.1 Identify and address issues to insure student health and safety.

2.2 Decrease the number of Code of Conduct violations.

2.3 Increase parental support and shared responsibility for student behavior.

SUMMATIVE EVALUATION:

- **Programs and training**
- **Phone logs, conferences and other contacts, campus level documentation, promotes a spirit of partnership.**
- **Sign-in sheets, evaluations and program descriptions of trainings.**
- **Safety reports and evaluations.**
- **Discipline reports**
- **PEIMS Reports and Safe School Report**

Implementation: Strategies/Activities/Initiatives	Timeline	Staff Responsible	Resources/ Allocation	Formative Evaluation
Review and revise an Emergency Operation Plan for the District and coordinate with the County Emergency System. Inform parents of additions or revisions	2020 –2021	Emergency Crisis Team and Campus Crisis Teams	Emergency Operations Grant; Edward’s Risk Management; Region 14 Local Funds	Table top activity. Audit every 3 years (2020)
School Health Advisory Council made up of parents, community representatives and school personnel will provide input on student health issues. Make recommendations to the Board of Trustees.	Meets at least four times each year. TBD	Chief Learning Officer SHAC Committee	Local Funds Newspaper	Minutes of each meeting and recommendations made to the board.
Utilize available media devices, such as the local newspaper, area television and radio stations to inform the public as efficiently as possible of emergency procedures and activities of our students and	As needed	Teacher/Principals, Director of Instruction Campus newsletters	Newspaper, TV/Radio Stations, Published articles	Newspaper articles, published articles for magazines (HS students), sign-in sheets from school opportunities

school programs that involve student safety.				
Conduct safety walk-throughs periodically to see that safety procedures are in place and effective.	2020-2021	Superintendent; Campus Administrator; Safety Representatives and inspectors	ESC; Edwards Risk	Evaluation reports.
Anyone entering a campus must have proof of identification. Visitors are required to report to the campus or district office upon entering the campus.	2020-2021	Principals; Teachers; Paraprofessionals; Auxiliary Staff	Local Funding	Safety Audit; Zero reported incidents.
Anyone involved with students (teachers, paraprofessionals, bus drivers, substitutes, and volunteers) hired by the district, will be required to undergo a background check and fingerprinting	2020-2021	Central Office, Chief Operations Officer, Principals,	Local funds	100% Compliance with fingerprinting mandate.
Campus crisis teams will receive training in CPI. Updates are required each year. Initial training is required for new crisis team members.	2020-2021	District Trainer Campus Administrator Special Education Director	Local Funding	sign-in sheets and record keeping of CPI certifications
Collect PEIMS data and complete the Safe School Report for TEA on the number of incidences of drug, alcohol, and tobacco use on campus	2020-2021	Chief Learning Officer PEIMS Coordinator	Discipline Records	Fewer cases of use of prohibited substances on campuses
Child Find Brochures available on every campus and at the Administration office	2020-2021	All Staff from all Campuses and Principals	ESC XIV	Inquiry/Distribution logs/news releases

Utilize the CATCH program in grades K – 8 to address physical, nutrition and health issues in children	2020-2021	Campus Administrator, Health and PE Teacher,	Region 14 for training	Students develop healthier habits and attitudes evidenced in increased physical activities and healthier food choices.
Provide information about area resources and services for families and homeless students.	Upon Registration	Secretaries, Campus Administrators, Homeless Liaison, teachers	Local funds, \$500.00 Title I A	Homeless survey and list of number of students being served.
Homeless students will be identified and provided services such as nutrition, school supplies, clothing, some medical, some dental, and out of school tutoring if necessary.	August 2020 – May 2021	Homeless Liaison; Director of Nutrition; Counselors	McKinney-Vento Act Title I set-aside funds at JH and HS (\$500.00) TexSHEP Grant via ESC 14	Number of identified students involved in the free lunch program.
Drug testing for Bus Drivers	Throughout the year	Chief Operations Officer; District Services Secretary	Local Funds: Forward Edge Inc.	Results of testing.
Student activities/programs to describe health and social issues in an effort to eliminate drugs, tobacco, and alcohol use	When available	Principals Counselors Teachers Students	Local Funds	Decrease in the documented cases of use
Offer staff development for Conflict Resolution, Discipline Management, Suicide prevention, Bullying, CPR, AED and Concussion Training.	Summer and throughout the year	Chief Learning Officer Principals	Local budget	Shown on Career development plans, SDFS Report at the end of the year on attendance and evaluation sheets
Staff Development for Airborne Blood Pathogens, Sexual Harassment, Safety for new employees and substitutes	2020 - 2021	Chief Learning Officer; Nursing Staff Principals	Videos Local funds	Attendance, Sign-in Sheets, Certificates of completion
Each campus will be required to conduct emergency drills; weather, fire, and critical incident drills.	Throughout the year	Superintendent EOP Coordinator Campus Administrators	Local Funding	Records of drills required by central office

Grades K-12 will receive support in a growth mindset through 7 Mindset curriculum.	August 2020– May 2021	Chief Learning Officer; Campus Administrator; Teachers	Local budget 7 Mindset Curriculum	Lesson plans kept on campus.
Staff Development and training for staff on Drug Free/Violent Free schools focusing on drug abuse; severe behavior issues; bullying, suicide prevention, tobacco and alcohol abuse; dating violence, etc.	As scheduled through ESC 14 and locally	Region ESC 14 Staff and Principals and outside consultants	Region 14 –Activities for Schools	Programs completed and evaluated by staff and certificates of completion
Follow USDA guidelines as they pertain to Minimum Food of Nutritional Value	August 2020-May 2021	Director of Nutrition; Campus Administrators	USDA	No incidents of violations of guidelines.
Campuses will provide programs that raise student awareness on health and safety issues such as character issues, suicide, dating violence, bullying, obesity, fire and weather safety.	2020-2021	Principals, Counselors	Local Budget	Documentation of program dates and presenters.
Dating violence policy will address issues of students and help prevent violent incidents. Staff will receive training. Students will be informed through health and other classes.	2020-2021	Board of Trustees and Chief Learning Officer; Principals	ESC 14 Local funds	Policy. Documented incidents.
Work closely with local, state and Governmental agencies to address child abuse, truancy, absenteeism, substance abuse.	August 2020-May 2021	Administrators	local and area agencies Local funds COPsync 911 Title IV \$3,600	Documented meetings and decreases in referrals.

Implementation: Strategies/Activities/Initiatives	Timeline	Staff Responsible	Resources/ Allocation	Formative Evaluation
--	-----------------	------------------------------	----------------------------------	-----------------------------

Campuses will evaluate and revise discipline procedures annually to provide fairness consistency in consequences.	July 2020	Campus Administrators; Chief Learning Officer	Student Code of Conduct and Local Policies; Networking with other Districts	Parental support and fewer incidents of misbehavior. Discipline plan will be in line with community values and within the guidelines of district policy and the Student Code of Conduct
Bus referrals due to discipline issues will be aggressively investigated and consequences will be addressed.	August 2020-May 2021	Chief Operations Officer; Campus Principals	Student Code of Conduct	Students transported safely to school with evidence of fewer bus referrals and documented incidences. Discipline reports.
Following investigation of every incident reported, campuses will deal with bullying incidents in a timely and consistent manner. Bullying will be considered a more severe violation. All reports are reported to the Superintendent.	Throughout the year	Campus Principals; Superintendent	District Bullying Policy Local funds	Fewer documented incidents of bullying
BISD Truant Officer will work closed with County Court Officials to address attendance issues	As appropriate throughout the year	District and Campus Administrators, Truant Officer	None needed	Records of student consequences.
Saturday School and extended day will be utilized for students with chronic absenteeism and truancy at the secondary level.	Multiple times each year as needed	Campus Principals Assigned Teachers	Local Funds	Documentation of attendance. Teacher time cards.
In-School Suspension and DAEP Programs for more severe/chronic discipline incidents identified in the Student Code of Conduct occurring at the Junior High and High School campuses	August 2020 to May 2021	DAEP Principal, Counselors and Probation office	Local Funds – DAEP Principal; Student Code of Conduct; District Law Firm	DAEP and PEIMS records.
School Counselors will be available to provide services each week for all students in DAEP.	August 2020 – May 2021	DAEP Principal; Counselor	Local funds	Documentation of counseling services; fewer repeat offenders.

Implementation: Strategies/Activities/Initiatives	Timeline	Staff Responsible	Resources/ Allocation	Formative Evaluation
Maintain interior and exterior cameras in strategic locations to be used to address safety issues. Hardware added to doors for entry system.
